Dear All**,**

We invite abstracts and papers on new thoughts, ideas & solutions to proactively manage BCM, IT DR, Risk Management, Crisis Management, and Information Security, Crisis Management etc. at an organizational level or even pan-industry. You can write in to us to participate either as a speaker, moderator, or panelist at one of the round-table discussions. We also invite those interested, to write in to us, as potential sponsors and exhibitors.

AUDIENCE:
Our Summits attract participants from all sectors of the business. These sectors include: banking/ financial, public utilities, transportation, insurance, communications, government, manufacturing, aviation, education, computer services, retail, wholesale, health care, pharma, and petroleum etc. Other industries are also represented.

SESSION CONTENT:
Sessions must be educational in nature with a business continuity, disaster recovery or related theme as mentioned above. Specific products, services and companies are not to be endorsed.

CONFERENCE TOPICS IN THE PAST HAVE INCLUDED, BUT ARE NOT LIMITED TO, THE FOLLOWING SUBJECTS:

- BCM & IT DR maturity – towards National Resilience
- Recent BCM incidents and learnings in India
- Learnings from real incidents in other geographies
- Upcoming possible BCM disruptions – such as the elections!
- Case studies on BCM & IT DR Implementation
- Stages of the BCM & IT DR lifecycle
- Future trends and directions for the BCM & IT DR Industry
- Information Security / GDPR/ Cyber Security/ Crisis Management/ Emergency Response/ ERM - and their connection with BCM & IT DR
- Embedding BCM & IT DR within Organization's Culture
- Engaging and Sustaining the Interest of the Board
- BCM & IT DR implementation success stories and challenges in specific industries in Govt./ Service sector, Insurance, Oil and Gas, Aviation, Telecom, Healthcare, Construction and Contracting, IT, Manufacturing, Banking, etc.
- BCM & IT DR in Supply Chain
- Assessing BCM & IT DR Maturity
- BCM & IT DR Dashboards and Tools
- Organizational Resilience vs BCM

BENEFITS OF SPEAKING AT OUR CONFERENCE: Our speakers are highly regarded as subject matter experts in the industry. As a speaker at CORE's Business & IT Resilience Summit - 2019 you will:

- Present ideas and challenges to our participants
- Enhance your personal & professional resume
- Gain recognition by appearing at the industry's reputed business continuity conference
- Share your expertise and knowledge with the industry
- Network with other subject matter experts and industry leaders
- Receive free admission to the conference, which includes admission to all sessions, product demos, and entrance to the exhibition
- Have your presentation uploaded at Summit site. This allows participants to review and share their session with their team/ other associates

SPEAKER RESPONSIBILITIES:

To be considered as a speaker for our Summit, submit a BRIEF abstract/ synopsis with description title of the presentation that clearly defines what the session is about and what the session "take-aways" would be for the participants. Include a speaker biography with a high quality photograph.

INCOMPLETE SUBMISSIONS WILL NOT BE CONSIDERED.

By submitting a Call for Papers for any of our Business & IT Resilience Summit, you are committing your availability on the given dates of the Summit, and that you have permission to speak/ attend/ travel. Please mark your calendars. We will notify you of your exact session time once the selection process has been completed. Please allow max 2 weeks after the CFP deadline.

All speakers receive complimentary admission to our Summit as well as the exhibition area and other conference functions. **All other expenses, including hotel, travel, evening meals, etc., are solely the responsibility of the speaker.**

If presentation is accepted, speaker will be required to submit an electronic PowerPoint file using the designated conference logo for inclusion in the conference proceedings and for updation on the Summit site at least a week before the Summit.

REQUEST FOR SUBMISSIONS:

If you are interested in presenting a session in our Business & IT Resilience Summit – 2019, please submit the required materials in the suggested format (guidelines below). Speakers will be notified when a decision is made. All decisions are final. We reserve the right to make reasonable changes to the title, description, track, and speaker biography of successful submissions. **INCOMPLETE SUBMISSIONS WILL NOT BE CONSIDERED AND CAN'T BE RETURNED. (NOTE - A COMPLETE SUBMISSION INCLUDES A BRIEF SPEAKER BIO, SESSION SYNOPSIS AND SPEAKER PHOTO IN THE PROPER FORMAT.)**

FORMAT FOR ELECTRONIC SUBMISSIONS:

Submit your entry electronically via email (summit@bcm-india.in). Please DO NOT print and scan your submission - or fax it. The synopsis and bio can be attached as a Word document, as an alternate process. Do not submit scanned or pdf versions of the entry (synopsis or biography).

- PHOTO: jpg format, 300 dpi resolution. DO NOTembed photos in word documents.
- INCLUDE: presenters name, address and contact numbers.
- SUBMISSIONS FROM PUBLIC RELATIONS FIRMS: will not be accepted unless speaker's contact information is included. All communication from CORE will be directed to the speaker, not to the PR firm.
- SUBMISSIONS that are NOT SELECTED for CORE's Business & IT Resilience Summit will not be held. Potential speakers must re-submit their information for any future Summits.

KINDLY NOTE: Industry presenters and speakers will be given priority over consultants

Happy to answer your queries!

Board: +91 11 4110 1427 | Direct: 91 7838389017

Level 15, Eros Corporate Towers, Nehru Place, New Delhi – 110019, India
